To compare similarities and differences of weddings learnt. Place of worship ceremony promises friends and family special clothes special meal special rituals	To act out the events of a wedding.
UW	Protecting Our Planet: We need to look after our planet. Endangered Animals: Some animals are danger of disappearing forever!	Being Planet Protectors: We can help our planet by being energy smart	Living eggs Lifecycles – Chicken Chickens start as eggs. When it's warm enough, the eggs hatch, and fluffy chicks come out. They grow into chickens, eating lots of food and exploring. Then, hens lay more eggs,	Living eggs Lifecycles – Chicken Chickens start as eggs. When it's warm enough, the eggs hatch, and fluffy chicks come out. They grow into chickens, eating lots of food and exploring. Then, hens lay more eggs,	Lifecycles: Sunflower Sunflowers begin as tiny seeds planted in the soil. With sunshine and water, they sprout and grow tall with big green leaves. Eventually, they bloom into bright yellow flowers, attracting bees and	Lifecycle – Butterfly butterfly starts as a tiny egg on a leaf. Then, it hatches into a caterpillar, munching on leaves and growing bigger. After a while, it forms a chrysalis, like a cozy sleeping bag. Inside, it transforms into a	Habitats – minibeasts Minibeasts are tiny creatures that live all around us. They come in many shapes and sizes, like ants, spiders, and ladybirds. They help our world by pollinating flowers and eating pests.

	Habitats: Animals need special homes called habitats. Recycling and Taking Care of the Planet: Recycling is like giving old things a new life.		and the lifecycle starts again	and the lifecycle starts again	butterflies. After the flowers, seeds form, ready to start the cycle again	beautiful butterfly. When it's ready, it breaks free and flies off to find flowers and nectar. And the cycle starts all over again	We can find minibeasts in gardens, parks, and even in our homes
Jigsaw Evidenced in class log		1. My Family and Me! I can identify some of the jobs I do in my family and how I feel like I belong	2. Make friends, make friends, never ever break friends Part 1 I know how to make friends to stop myself from feeling lonely	3. Make friends, make friends, never ever break friends Part 2 I can think of ways to solve problems and stay friends	4.
