Our Values focus this half term is **Hope**

Hello everyone,

My name is Miss Begum and I am a teaching assistant for years 3 and 4. This is my second year here at St. Clement's and I am excited to continue supporting both the students and teachers in creating positive and engaging learning environment.

In my role, I support students through targeted interventions and phonics sessions to help students develop their skills and boost their confidence. With the right guidance, every student is capable of reaching their full learning potential.

This week we have been very busy. On Monday we observed Remembrance Day and took part in a two-minute silence to honour those who have lost their lives in service for their country. Year 6 lead a lovely assembly and we would like to say a big thank you to everyone who contributed to the Poppy Appeal. On Tuesday the book fair started and has been here all week, we appreciate everyone who stopped by to support it. Finally to wrap up the week we ended today wearing spotty clothes to raise money for Children in Need. A heartfelt thank you to everyone who donated.

What a busy and rewarding week it has been!

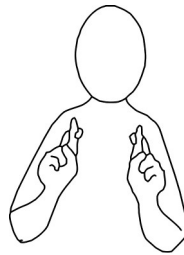

I hope you all have a wonderful weekend, and I look forward to seeing you all on Monday

Miss Begum - Teaching Assistant

Signs of Makaton the week

To link with our Value for the half term, below is the sign for Hope.

hope

Don't forget it is important to say the word as you sign it.

Star Pupils

Naomi and Mustafa

Daria and Amiira

Zaiden and Yaseera

Adelin and Amelia N.

Safa and Michael

Fatumata and Rhight

Aiden and Harjar

Lunchtime Star

Tori-Lei (Yr. 1)

Safeguarding: Medical Needs in School

Please can you ensure that all children's medical information is kept up to date. School needs to be aware of medical conditions and regular medication taken. If medication is kept in school, it is the parent/guardian's responsibility to ensure medication is updated and changed before expiry. We will not administer medication that is out of date.

If your child has an allergy they need their own bottle of antihistamine in school. For asthmatic's, reliever inhalers need to be in school with a completed Asthma Plan. Parent/Guardian's will need to complete a medication form at the school office. This will be signed when medication is administered.

If you have any questions regarding how we manage medical needs or need further information regarding medical conditions, please see the school office.

Tips

- * Ensure children are registered with a dentist and get a regular check-up.
- * Ensure children are registered with an optician and get regular check-ups.
- * Ensure children are registered with a doctor and seek medical advice when needed.
- * Attend medical/hospital appointments so that children are not discharged from services.
- * Ensure children get a balanced diet, a range of vitamins and wear appropriate clothing for the weather.
- * Get outside to develop and strengthen children's natural immune system.
- * Talk to children about their medical needs so they know how to help keep themselves safe.
