Serving the local community in the name of Christ since 1859

7th March 2025

This half term our Value focus will be **Courage**

Greetings, St Clements Family!

As we step into a new month, we would like to extend our warmest wishes to all our families observing Ramadan. May this holy month bring you peace and blessings.

We had a fantastic World Book Day on Thursday! It was wonderful to see the children dressed in such imaginative costumes, bringing their favourite book characters to life. A big thank you to all the parents and guardians for their support in making this day so special.

A special shoutout to Year 5 for their lovely class assembly. Your hard work and dedication truly shone through, and we are so proud of you!

Mrs Opong - School SENDCo

## Well Done Year 3

Below you can see some wonderful examples of volcanoes that have been created and brought in by year 3 children as part of their homework. This is linked to their current topic "Rocks and Soils".

## UNICEF Rights of the Child

Article 7: Name and nationality

Children must be registered when they are born and given a name which is officially recognized by the government. Children must have a nationality (belong to a country). Whenever possible, children should know their parents and be looked after by them.

We have had some cases of Ring Worm in school.

If you notice round, raised, red, scabbed like markings on your child's skin please seek medical advice. Children can attend school with the condition, but it does need to be treated with the cream prescribed.

## Charity Spotlight

# Pause.

### Pause Birmingham

Pause, delivered in partnership with Forward Thinking Birmingham, is a wellbeing drop-in service for anyone under the age of 25 with a Birmingham GP.

Pause is a safe space where you can talk about anything that is worrying or upsetting you. You may want to talk about school, friendships, family, or maybe about feeling anxious or sad. We will listen and share techniques to help you manage how you are feeling. We can work with you one-to-one or in groups. Or simply share our resources for you to read up on in your own time.

Pause offers several drop-in locations across the week.

Come and talk to us whenever you're ready. We will listen and empower you to take control of whatever is worrying you.

For information on drop-in's and to register please see [forwardthinkingbirmingham.nhs.uk/pause](http://forwardthinkingbirmingham.nhs.uk/pause)

### Safeguarding: Wellbeing Award for Schools

Three years ago, the school were awarded Wellbeing Award for Schools (WAS). We achieved this for the work we do supporting the mental health and wellbeing of pupils, parents, staff and the wider school community. We are reaching our time of re-assessment and again will have the chance to showcase the amazing work we do in this area. Promoting the wellbeing of others is something we hold in high regard and want to continue to achieve well at.
