Serving the local community in the name of Christ since 1859

14th March 2025

This half term our Value focus is **Courage**

My name is Miss Akers, and I am the Pastoral Manager at St. Clement's. I have worked at St Clements for 20 Years and enjoy working with all the amazing children.

As Pastoral Manager I work on pupil attendance, behaviour, family support, safeguarding and child protection, mentoring, wellbeing, child therapies and counselling, developing staff, safeguarding in our curriculum and creating policies. Another part of my role is community engagement and our Junior PCSO Team. We aim to keep making Nechells a better place and work with others to develop opportunities for children and families living in the area.

As a school we do a lot to support families. Accessing support early so that problems don't grow is very important. As well as coming into school there are local hubs that can offer early help and support to families. More information can be found in the flyers on the right.

If you would like any further help and support, then please arrange an appointment at the school office.

## Charity Spotlight

Bring it on Brum! is a programme funded by the Department for Education designed for families in Birmingham to help children, young people and their parents have fulfilling, active, fun-filled and healthy school holidays. Part of the new Holiday Activities and Food programmes, Bring it on Brum! is the biggest scheme of its kind in the country, and we're really excited to bring it to you and your family!

We believe that everyone deserves a good break and that school holidays are better when there's a great choice of things to do to keep children and young people active, having fun, being entertained and learning new things. That kind of break can help recharge the batteries, give parents a bit less to worry about and get kids ready to go back to school again.

Please see our website for all that we offer
