"Thus says the Lord of hosts, Render true judgments, show kindness and mercy to one another."

Zechariah 7:9

Safeguarding: Change, Grow, Live (CGL) (Over 18's Service)

CGL is a free and confidential drug and alcohol service for adults and affected others in Birmingham. CGL provide treatment and recovery services to support anyone experiencing difficulties with drugs and/or alcohol including confidential advice and information, care packages, healthcare clinics, residential detox, housing support, detox in a box, aftercare, and family support.

'Above all else, we believe in people. It's the one thing that acts as a foundation for all our work. It means we focus on the people who use our services and do everything we can to make sure we're giving the best service possible.

When you come to one of our services, we'll make you feel welcome and supported, and we'll always treat you as an individual. We respect and support your choices, so we will work with you to find the right treatment and care options, rather than telling you what to do.

We'll get to know you as a person. We care about everything that's going on with you - your physical health, mental wellbeing, lifestyle, and relationships - because they all play a part in helping you reach your goals.

We want the people who use our services to play an active role in shaping how we do things too. If you use our services, you can become a service user rep and give us feedback on what we can do better.'

17th	End of Year Concert (AM) Summer Disco's EYFS/KS1 (3-4pm) KS2 (4:30 - 6pm)
18th	Last Day of Term

Hello everyone,

It's Mrs Naheeda here, (Nikki). I started working at St. Clement's in March 2022 as a lunchtime supervisor. After 2 years I decided to pursue a brand new job role where I am able to develop and learn even more about children with special needs.

I chose this path because I believe in the potential of every child. Whether it's helping them, navigating their emotions, building confidence, or mastering a new skill, I'm here to provide consistent, compassionate support that meets them exactly where they are.

What I love most about my job is seeing the small (but might) moments of progress. The spark of understanding during a learning breakthrough and the first smile after a tough day.

The children I work with teach me, just as much as I teach them. They show resilience, creativity and determination in ways that inspire me daily. Being able to celebrate their achievements big or small makes every challenge worth it.

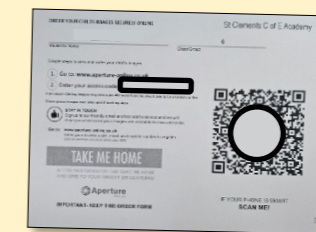

Warmest wishes

Mrs Naheeda
- 1:1 Support Assistant -

CLASS PHOTOS...

Today we had our Class Photos taken and you should have received an information card similar to the one shown below, with all the details for you to order your child's class photo.

If you have any problems or have lost your card please contact the school office who will be try to help.

Year 6 Baby Photos Needed

Parents of Year 6 please can you email 3 or 4 baby/younger photos of your child for our end of year graduation.

Please email them to
office@stclements.bdmats.org.uk

Thanks

Ayyub and Abdur-Raheem

Minaal and Ky'rese

Fodeba and Shaun

Inaas and Saan

Lunchtime Star

Kseniia (Yr. 2)

Year 3 visit Birmingham Museum and Art Gallery.

On Friday 13th June, Year 3 caught the train into town and visited the Birmingham Museum and Art Gallery (BMAG) for the day. In the morning, they were taken to explore the museum and the different exhibitions that are currently open. They had great fun listening to recollections from the past, drawing pictures for display, and looking at all the interesting artefacts on display.

After a well earned lunch, year 3 took part in a workshop about Life and Death in Ancient Egypt. They had to put on their thinking caps and discuss what they thought different artefacts were, and if they thought they were only for the rich, poor or everyone. They then discussed the answers and learnt about the different uses of these items.

Overall, Year 3 had an amazing time and really enjoyed themselves. They were very knowledgeable and remembered a lot from their topic last half term. Well Done Year 3!

Careers Day - 4th July

Next week, on Friday 4th July we will be running a Careers Day in school. We have invited some visitors into school to talk to the children about different jobs and what they involve. Children are invited to come into school dressed as the job they think they might like to do when they are older.

They will have shorts sessions with the visitors in the hall and then teachers will deliver lessons throughout the day about different jobs, qualifications etc. The aim of the day is to inspire and raise aspirations for their future.

Economics - We will also do some work about financial security and we have one of our parents who has kindly offered to come and deliver an assembly and a parent workshop after school to discuss economics. We are keen to get as many parents involves as possible so please do try and join us.

Decades Day

FRIDAY 11th July

Your child's class will be learning all about Britain during a specific era (see below). If your child wishes to dress up for the era, they are welcome to do so. Have a look at some pictures to see what the fashion was like in these days. They are usually easy to re-create.

If children decide not to wear an outfit from their era, they should wear school uniform.

EYFS: 90s, Yr. 1: 80s, Yr.2: 70s, Yr. 3: 60s, Yr.4: 50s, Yr.5: 30/40s, Yr. 6: 20s

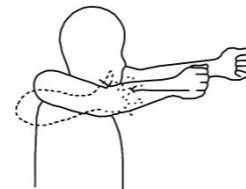

At St. Clement's we say NO TO KNIFE CRIME!

Knife Crime Workshop

Today Years 5 and 6 took part in a Knife Crime Workshop. This was delivered by the Police and Crime Commissioner Team and is called 'Precious Lives'

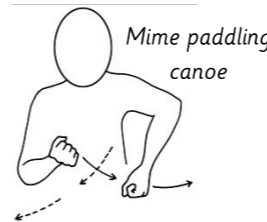

Archery

Right hand makes short movement back towards signer and opens

Canoe

Mime paddling canoe

Raft

Underneath hand shows ripples

Year 3 - What an unforgettable day Year 3 had at Woodlands! From the moment we arrived, the sun was shining and everyone was excited. Our action-packed adventure began with a thrilling archery session, followed by a muddy scramble through the assault course and the ever-popular mud run - we didn't stay clean for long!

But the absolute highlight of the day was the canoeing! Not only did we paddle like pros, but we also sang 'Head, Shoulders, Knees and Toes' while standing up in our canoes - a little scary, a lot wobbly, but a lot of fun! It was a day full of laughter, teamwork, and memories we'll never forget.

Year 4 embarked on an exhilarating day at Woodlands, immersing themselves in a variety of exciting outdoor activities. The students honed their focus and precision during archery sessions, collaborated seamlessly in canoeing challenges, and embraced the thrill of the mud run and obstacle course, testing their agility and teamwork. Engaging in dynamic team-building exercises, they tackled challenges that fostered communication and problem-solving skills. This action-packed day not only strengthened their bonds but also left them with lasting memories of adventure and camaraderie.

Year 5 had a great time at Woodlands on Monday. We loved the high ropes activity as we have never tried that before. Some of the children were super brave, climbing really high. Everyone gave it their best and had a lot of fun. In the afternoon we had a super time doing orienteering, the children loved having the freedom of the site to run around and find the special keys. It was quite the workout. We finished the day raft building. It was a lovely teambuilding activity for everyone to take part in.

Year 6 had an unforgettable adventure at Woodlands Outdoor Activity Centre! Despite the scorching heat, the children enthusiastically tackled raft building, orienteering, high ropes, and even axe throwing.

Laughter and teamwork filled the day as everyone challenged themselves and supported one another. It was a fun-filled, action-packed trip that created lasting memories for all involved.

Paperwork & Peace!

TERM TIME ONLY

Need help with forms, benefits, debt letters, council tax, rent arrears, visa applications... or just don't know where to start?

We are here to help!

29 Article 29: Aims of education Children's education should help them fully develop their personalities, talents and abilities. It should teach them to understand their own rights, and to respect other people's rights, cultures and differences. It should help them to live peacefully and protect the environment.

We want to say a huge

THANK YOU!

to the fabulous parents, family members and volunteers for helping with the Year 6 artwork for their leavers service. I think you can all agree that it looks amazing!
