Coming Soon: Arbor Parent Portal & Meals Cashless System

You will have noticed that the way we communicate with you has changed. Instead of text messages, we have been sending emails. This is part of our move to using the online Parent Portal linked to our register system, Arbor. We are delighted to announce that from September we will be using the Arbor Parent Portal for ordering our school meals, as well as continuing to send communications.

To enable us to set you up on the system and send you a Welcome email before September, we need you to complete and return the slip below.

Once the system is ready to use you will receive the Welcome email from Arbor. Please look out for more information regarding the meal ordering system from September, coming soon.

If you have any queries, please contact the school office.

All the best,

Admin Team
