## Easter Blessing

May Christ's glory and the promise of this joyous time of year, bring peace and happiness to you and those you hold most dear.

Our Value focus this half term is **Courage**. Next half term our Value focus will be **Humility**

As we come to the end of a wonderful Spring term, we want to take a moment to celebrate just how hard our children have worked. Their enthusiasm for learning, their kindness to one another, and their determination to do their best have shone through in every classroom. We have enjoyed some truly lovely class assemblies, where pupils shared their learning with confidence and pride. The creativity across the school has been equally inspiring – not least in the beautiful Easter bonnets, which brought colour, imagination, and smiles to everyone's faces. We were also blessed to welcome the Aston Parish Church group, who shared thoughtful messages of peace and love with our pupils. Their presence reminded us of the deeper meaning of this season and the importance of hope and unity. At a time when the world can feel uncertain and insecure, we continue to stand together as a St Clement's family. We lift each other up, support one another, and remain anchored in Christ, drawing strength from our shared faith and community spirit.

As we enter the Easter break, we wish all our children, families, and staff a peaceful and blessed Easter.

May it be a time of rest, renewal, and joy.  
Miss Shryane - Head Teacher

### UNICEF Rights of the Child

**Article 14:**  
Freedom of thought and religion

Children can choose their own thoughts, opinions and religion, but this should not stop other people from enjoying their rights. Parents can guide children so that as they grow up, they learn to properly use this right.

## New Lunch Menus

Please take note of our new lunch menus starting after Easter. They have been emailed out with the newsletter today for you to look at before we return.
